*Toward an Architecture Policy for Canada*

**CANADIAN ARCHITECTURE FORUMS ON EDUCATION**  
**FORUMS CANADIENS D'ARCHITECTURE SUR L'ÉDUCATION**

The Canadian Architecture Forums on Education (CAFÉs) are part of a year-long outreach project to discuss and debate the role of architectural education and research in shaping Canada's future.

The knowledge and ideas mobilized through these forums will inform the development of an architecture policy for Canada. The forums enable students, educators and academic researchers to play meaningful roles in shaping the policy's priorities, ambition & depth of vision.

This initiative is led by the Canadian Council of University Schools of Architecture (CCUSA), representing all CACB-accredited architecture programs in Canada, with the support of a Connection Grant from the Social Sciences and Humanities Research Council of Canada (SSHRC).

The national architecture policy initiative – to which these CAFÉs contribute – is jointly led by the Canadian Architectural Licensing Authorities (CALA), the Royal Architectural Institute of Canada (RAIC), and CCUSA.

For more information – including a detailed schedule; call for manifestos; other ways to participate; and further resources – visit:
