Help shape the priorities and scope of any future architecture policy for Canada. Your feedback will help define the issues, convey the value, shape the vision and call for action. Take the online questionnaire:

<https://architecturecanada.ca/engage/>

Share your vision, question or concern about the future of architecture! Multiple formats are invited (poster, image, text or two-minute video). Multiple book prizes are available! Find out more:

About CAFÉ

<https://architecturecanada.ca>

CAFÉ is a year-long outreach project to discuss the role of architectural education and research in shaping Canada's future. It is led by the Canadian Council of University Schools of Architecture (CCUSA), representing all accredited architecture programs in Canada, with support of a Connection Grant from the Social Sciences and Humanities Research Council of Canada.
